

ARCO

GU10 Tilt Square Downlight - White on White

FX

GU10 SERIES

Easy Access Housing

Push in and push out lock system allowing for easy lamp access

Easy Installation

Loop in and out push in fast connector

Low Profile

Constructed using fire rated glass allowing for a low profile and improved lamp ventilation

Description

Our Arco GU10 Square presents a classic architectural design that naturally elevates the style of any environment it sits in. Pressed in steel and composed of fire rated glass allows this unit to have a very low profile, making it quick and easy to install, whilst offering improved ventilation to your LED bulb and in turn improving its lifespan.
